

Sales unwrapped

All the hustle you showed in '22

“Unprecedented”

You went from saying it 2,376 times in ‘21 to not at all this year.

We’re all very glad that you’ve learnt to let go.

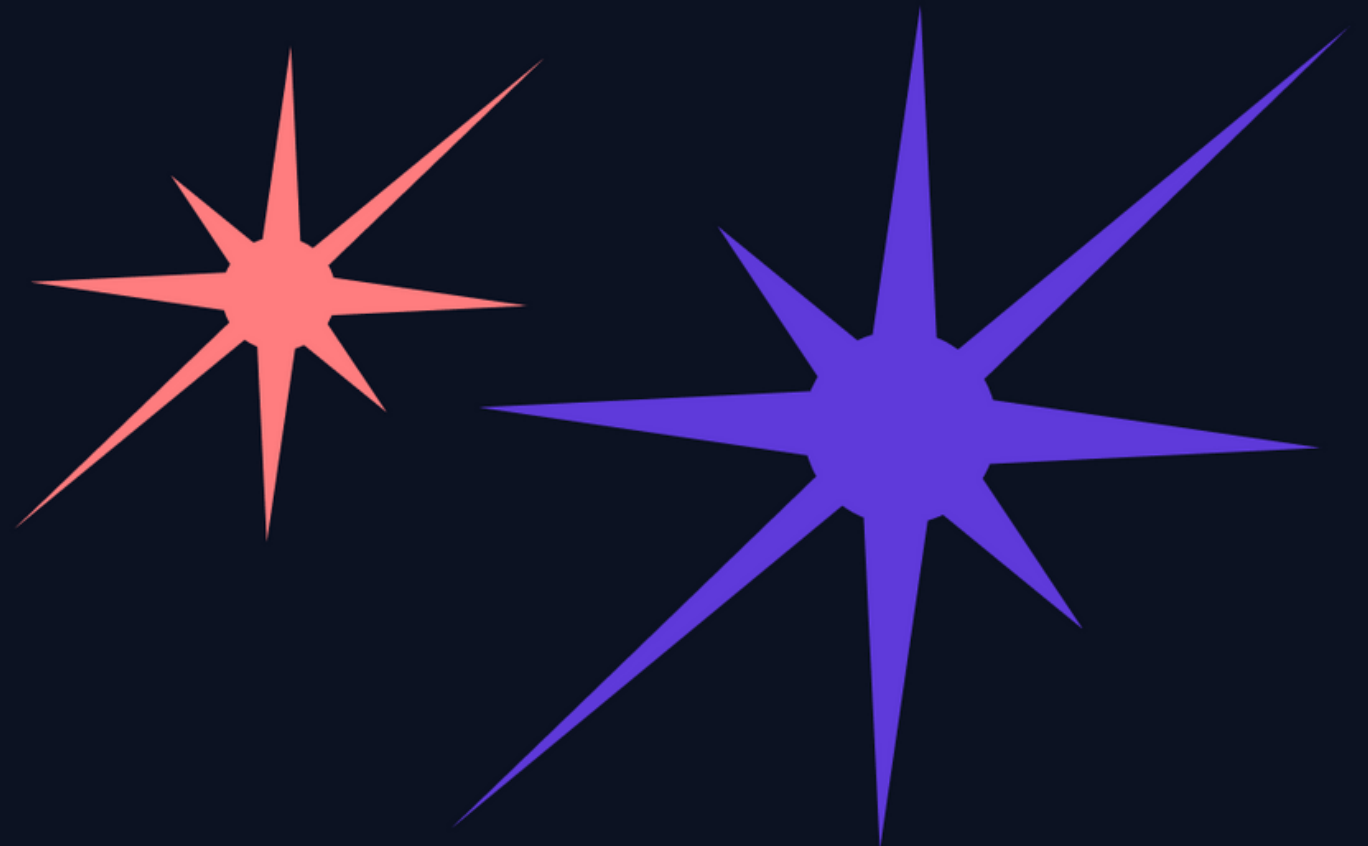

**34,341
minutes**

That's how long you spent
cursing the economy for not
hitting quota.

724

The number of hobbies you have, at least based on your calls.

Finding common ground is hard, okay?

386 hours

That's how long you spent
waiting for prospects to show up.

That's what you get for wishful
thinking.

Your lazy day conversation starters...

‘How’s the weather?’

‘Where are you based out of?’

‘COVID’

Salesfolks, you keep the revenue running

Stay awesome.

*Sincerely,
Marketing*
